Fall Edition
December 18, 2023

The ASD Mission is to support children and their families in becoming life-long learners.

This Issue:

Thanks to YOU
Celebrate Primary
Quest 305
Strive 4 Success
Discovery Cove
Club 212
Annual Appeal

From the Executive Director: *Linda Coblitz*

The ASD Team is so proud that we have been able to offer academic, enrichment, life skills and social & emotional growth opportunities to over 525 Ashtabula students during this past fall. With all the above, the students are also given a safe, secure environment with caring adult mentors and teachers. Each day is full of new adventures but all building on our students growth in academics, hope for their future and life successes.

During the three Fall 2023 Student showcases ASD gave attendance awards (if they don't attend, they cannot grow!) to 114 students and school day academic growth awards (per their school day teacher) to 109 students. ASD is honored to be able to support school day learning by the incredibly skilled teachers & staff of the Ashtabula Area City Schools.

Check out the following photo's of our students adventures and learning experiences from the Fall of 2023 ASD programming.
