- **HOMEWORK HELP AFTER SCHOOL.** If your child is on a sports team, or just needs some time or guidance to complete their assignments, the hour after school and before their coach arrives for practice is a great time to work on homework, ask questions, work on projects, layered curriculum and figure out concepts that they are struggling with.
- **Club 212** Starts the first day of school and is open most school days during the year. After the School day dismissal, students will receive a snack, go to the homework room or **Club 212** Club room until their coach or parent arrives to pick them up. **No transportation home is available.**
- **There is NO charge to families to participate in Club 212.**
- Please note: Most athletic practices will be held on the first day of school and if this application is not turned in, your child will **NOT** be permitted to stay in the building to wait for their coach.
